Meet our **Leadership** team

Robert Wilson

Co-Founder & CEO

For 20+ years, I've helped U.S. companies simplify global finance. At Power House, we deliver peace of mind through accurate, transparent, and efficient financial management — treating every client's business like our own.

Manish Khera

Co-Founder & Controller

Every number tells a story. My role is to ensure that story is accurate, compliant, and reliable — with deep expertise in U.S. GAAP, audits, and regulatory frameworks.

Riya Jaiswal

Co-Founder & COO

Operations are about people as much as systems. I ensure seamless communication, smooth onboarding, and efficient delivery — building long-term client partnerships based on trust and results

The **Power House** Advantage in Accounting & Bookkeeping

- **Accurate & Timely Financials** – Monthly reports delivered on time with 100% accuracy for better decision-making.
- **Error-Free Bookkeeping** – Clean, reconciled books with fraud prevention and compliance checks.
- **Reduced Workload for Your Team** – We handle the heavy lifting so you can focus on growing your business.
- **Improved Cash Flow Management** – Faster reconciliations, streamlined payables/receivables, and better collections.
- **GAAP & Tax Compliance** – Full adherence to U.S. GAAP, IRS requirements, and state tax regulations.
- **Scalable Solutions** – Flexible support that grows with your business needs, from startups to large enterprises.
- **Professional Communication** – Seamless coordination with your vendors, clients, and internal teams.
- **Happier Stakeholders** – Reliable reporting builds trust with investors, lenders, and board members.
